PROPERTY SUMMARY

If you've been looking for a secluded outdoor property with great hunting, creek frontage, and some row crop land, this one is for you! This 72-acre property is located in Jones County, NC just between Richlands and Kinston. With 25+/- acres of row crop, there is yearly income potential combined with long term timber investment in the mature hardwoods and pine. This property sits at the dead end of a dirt road which adds to the appeal of the property and being undisturbed. There is also frontage on Tuckahoe Creek that provides fishing access and the potential for a few wood ducks! For more information give Aaron Sutton a call at 252-560-9593.
