PROPERTY SUMMARY

Lake View, SC is one of the prettiest and best-preserved very small-town American towns.

This property would be an ideal homestead with plenty of cropland to grow the groceries, and a perfect mix of woodland to provide plenty of game. Deer and Turkey are more than abundant.

The soil quality provides consistent annual crop yields just above average for the region.

Looking for an affordable hunting property where you can rent the farming rights to pay the taxes and maintenance, then look no further.
