### PROPERTY SUMMARY

386 acres of planted oaks is a rare find anywhere! But here sits that rare gem in Craven County, NC just outside of the town of Dover. This is a recreational paradise with the food source potential this tract has along with the thick cover in the heart of the tract! Having plentiful deer, turkeys, and bears gives a hunter multiple species to hunt throughout the year in a secluded area while being just 20 minutes from Kinston or New Bern. For more information on this tract, give Aaron Sutton a call at 252-560-9593.

There is a conservation easement on this property that restricts timber harvest and conversion to farmland or pastureland.
