PROPERTY SUMMARY

This property consists of two parcels; 18 acres along Hwy. 219, and 40 acres approximately ½ mile to the east. These tracts are five minutes south of Centreville on Hwy. 219. The property provides the opportunity for timber income in the near future by thinning the natural stand and performing a 2nd thinning on the planted stand. While the 40-acre parcel is off of the highway, there is a woods road that does provide access through the adjacent landowner.
