### PROPERTY SUMMARY

A great opportunity to own farmland just outside the city limits. Country living, with a short drive into town. Presently an income producing farm, but would also make a nice homesite surrounded by green lush pastures. A combination of Norfolk and Wagram soils give this property numerous potential uses. Road frontage on two sides with county water available. Don't let this one slip by without giving it a look. Just a 1.5 hour trip to North or South Carolina beaches.
