### PROPERTY SUMMARY

There is nothing like hunting at the Hilltop Hilton. This property has two hilltops that command most of the property. With the large hardwoods and slight elevation, nothing can get by you. When it comes to turkey hunting nothing beats a hilltop. All you have to do is sit down and wait. Turkeys always go to the top of the hill. The property is in a great community. The hilltop would be amazing for a home to go. Thirty minutes from Montgomery and on the way to the beach. Can't beat it. I look forward to talking to you.
