PROPERTY SUMMARY

Located near Clayton, Alabama, is Hurricane Creek Timber Farm, 647 +/- acres. The property primarily consists of mature timber, including loblolly and longleaf pine, as well as hardwoods. The remaining portion of the land is in pine plantation. With multiple access points, this property offers an excellent opportunity for both timber investment and a hunting retreat. It's important to note that finding land with such significant timber resources available for sale is quite rare in today's market.
