PROPERTY SUMMARY

This large vacant multi-use development site fronts SR-113, the four lane highway linking Interstate-65 with Flomaton and Northwest Florida in Escambia County, AL. Previously used as a racetrack, this site sports a flat topography. Minimum site prep needed before construction. Easy big rig access to the entire property. Potential commercial or industrial site. There is a 50' x 30' metal building that would make a great office and a cabin that has been previously used as a concession stand, both onsite. Located within the city limits of Flomaton.
