A beautiful Equestrian Estate/Hobby Farm that has utilized almost every square foot of the 17+/- acres. Looking from an overhead view you can see the vision that was brought to life. Strategically arranged pasture lots for Horses separate from the current Wagyu cattle to rotate from each pasture to the next keeping the grass plentiful and lush. A beautiful property with so many great additions such as Horse stable, 150ft x 300ft uncovered riding arena, half mile of riding trails, outbuildings, and more. A 3 bedroom 2 bath modular house built in 2021 ideally placed on the land with a FOUR bedroom septic system installed providing the opportunity to finish the 1365 sq ft upstairs that is already stubbed with electric and plumbing. A stream runs along the back property line while each pasture has a hydrant and or livestock waterer. A peaceful place to grow your own groceries and raise a family in Mecklenburg County Virginia.
