PROPERTY SUMMARY

This property is a short drive from Tuscaloosa and offers great deer, turkey, duck, and small game hunting. The timber is mostly mature hardwood with some pine. There is a nice creek and a beaver pond that provides a water source for wildlife but also duck hunting; several wood ducks have been seen while viewing the property. There is good access off County Road 35 and a couple of nice spots to build a house, camp house, or park a camper.
