PROPERTY SUMMARY

"Water is the driving force of all nature."
- Leonardo da Vinci

This quote puts into words everything about this 18-acre waterfront property located in Blount's Creek, NC. Everyone loves waterfront and that's because life is dependent upon water and combine that with a forever home, it will enrich your life. Privacy, seclusion, and pristine beauty are some adjectives that describe this tract, but none can describe the property in a way that seeing it in person can do. Consisting of mainly mature pines and hardwoods, there is a high ridge that would be the perfect landscape for a homesite with a beautiful walkway down to the water! The fishing at your fingertips on this property is second to none as well! Locally, this area provides a peaceful setting for quiet walks, simple restaurants, and a nice golf course only minutes away! For more information, please call Aaron Sutton at 252-560-9593.
