PROPERTY SUMMARY

This beautiful private estate lot is probably the most conveniently located property to hit the market in years. This lot, with multiple homesites surrounded by ferns and huge oak hardwoods, is just minutes from the ramp to Springville on 59. Anyone can tell you Springville is one of the most desirable, growing towns in central Alabama. This area has great property values, quiet peaceful small-town living with a short drive to all the happenings of downtown Birmingham or Gadsden, or sun and fun on the water at the lake. You can sit on your porch and watch deer and turkey feed through the front yard and in less than 5 minutes you can be standing on Main Street. Take a walk down the sidewalks, stop into quaint shops, enjoy country crafts and music at Homestead Hallow, or some great Southern cooking while you watch some football at one of the best high schools around. The property has underground utilities and fencing on one side. Make your appointment to see it before it is gone.
