## PROPERTY SUMMARY

This is an assemblage of two tracts: 13.2+/- Acres and 5.96+/- acres across the street from each other. Both tracts have gorgeous hardwood forest in the middle of the Uwharrie National Forest proclamation area! Whether you are looking for a place to hunt, build a cabin, or your dream home, these tracts would be a great fit. Far away from the daily grind of metro life but close enough to get to it when you need it. The owner has recently had both properties surveyed and a soil evaluation completed on each. The property would need a well. This land is surrounded by vast areas of undeveloped timberland. No deed restrictions or HOA to deal with. Come see and walk these beautiful tracts and make it yours.
