PROPERTY SUMMARY

This well-balanced tract offers many characteristics that are hard to find in properties this size. The pipe gate entrance with paved road frontage leads to an even mix of pasture and mature trees, creating an ideal environment for recreational, hunting, or livestock opportunities. A 20x30 shop with concrete floor and power enhances the tract with storage and a nearby water well and septic tank offers a head start on a deer camp or primary residence. A potential build site overlooks the half acre pond and the tree-lined wet weather creek provides seclusion from the road. Located less than 15 minutes from Stroud and Bristow, 45 mins from Tulsa, and 1 hour from OKC, this property combines diversity and accessibility while keeping the budget in mind.
