PROPERTY SUMMARY

This opportunity in booming Saraland offers a lot of options: hotel, service station / C Store, office, retail, residential, multi-family, and more. Located at the corner of busy Celeste Road and Forest Avenue, access is easy with frontage on both. The frontage along I-65 and the Celeste Road exit creates excellent visibility for the massive traffic count that passes through Saraland each day (data available upon request). This is one of the fastest growth corridors in south Alabama, with excellent schools, shopping, and quick access to all the Gulf Coast has to offer, and this property offers a chance at one of the few undeveloped properties in the area. And if you need more acreage, up to 160+/- adjoining acres are available. Details available upon request.
