PROPERTY SUMMARY

Located south of Leighton on Lagrange Road, this 59 acres features 5 acres of open pasture land, open trails, and several food plot fields ready to be disced and planted. This tract has several possibilities, definitely a hunting tract; could be a great place for a barndominium or private homesite as well. Although set up for a hunting tract, it could easily be cleared for poultry houses. This property is a convenient 10-15 minute drive from Muscle Shoals so you can be in your deer stand after work for evening hunts. These tracts are hard to find this close to town so give me a call for a private showing.
