PROPERTY SUMMARY

Looking for a small hunting and recreational property in today's market can be challenging with seemingly low inventory everywhere you look. Add a good home or cabin site to that and it gets even harder. Take a look at this property on Pisgah Rd near the Weir community, in Choctaw County. Part of the property was recently cut, but there is still quite a bit of wooded area on the tract made up of mixed species of timber. There is a good woods road going in at the gate leading to a cleared place that would be a perfect site for a home, cabin, or camper. The property is approximately 36 miles from Starkville, MS.
