PROPERTY SUMMARY

The St. Francis 544 is a premier 544-acre trophy deer and duck hunting tract in the St. Francis River bottoms near Widener, AR—just 40 miles from Memphis and 100 from Little Rock. Featuring mature WRP, 100+ acres of hardwoods, 150+ acres of moist soil units, food plots, dove field, native grasses, and 1 mile of river frontage, it's a turnkey property with prime habitat for deer, ducks, and small game. Five high-end box stands are placed between travel corridors, bedding areas, and food plots. The property is managed for trophy whitetails and includes bowhunting opportunities in mature timber. For waterfowl, enjoy flooded timber, sloughs, moist soil units, and river setups, with two wells, water control structures, and three Bayou Deview Skid Blinds. A 2.5-acre site is prepped for a future camp. Close to top duck clubs, this is a rare, ready-to-go property for serious hunters and families alike.
