PROPERTY SUMMARY

This fabulous, secluded parcel is an ideal recreation or hunting parcel. The limited brush and undergrowth create the perfect environment for hiking, ATV'ing, and mountain biking. Catch sight of deer, turkey, quail, bobcats, and more as you walk across your land. Maybe build a rustic cabin nestled among the trees or operate a small farm.

The mature, mixed timber was surveyed in August 2024, providing great data to help you decide whether to retain the trees or clear-cut/design-cut the timber.

A pretty, winding creek traverses the property, providing some opportunities for fishing and wading with the kids or dogs.

The property has a 10 ft deeded access easement from Woods Cross Rd.
