PROPERTY SUMMARY

This 40-acre parcel offers both good hunting with some farm income. The property features a 10+/- acre on the north end with a secluded 2+/- acre field just south of the main field. The 2-acre field would be a prime food plot location. There is an abundance of whitetail sign on this property. The property and surrounding properties are prime whitetail habitats. This property also features access to both the North and South ends of the property from public roads with water and electric along both. This property offers it all, good hunting, income, and the ability to hook up to electric or water and build.
