PROPERTY SUMMARY

This slice of paradise sits on the Alabama River at Millers Ferry, just minutes from downtown Camden, Alabama. The gated upscale community is home to several full-time residents with beautiful newly constructed homes. This package includes a single-family homesite, with a waterfront lot down on the river. The homesite is heavily wooded with mostly flat topography that falls off to the southeast, and the waterfront flat lot is located just down the road from the homesite. This waterfront lot is ideal for keeping a boat on a trailer or tied up in the water. Abundant wildlife including whitetail deer & turkeys are often spotted roaming the community. Great place to call home or use as a weekend getaway. Shown by appointment only.
