PROPERTY SUMMARY

This great tract is located just a few minutes South of Guin; it offers great deer and turkey hunting and is also a good timber investment. There is a good stand of mature pine and hardwood timber, and Wickett Creek runs through the South end of the property. A good trail system runs through the tract making it easy to get around on an ATV. Several green fields are in place and a big power line runs through the property creating more opportunities for more green fields.
