### PROPERTY SUMMARY

The beautiful drive that leads to The Seven Bridges Road Farm has a sense of arrival with its Spanish moss hung in the massive oak trees towering over the rural winding Woodley Road that will forever be remembered by a song written by Steve Young and later recorded and made famous by the Eagles in 1980 as a top hit, Down The Seven Bridges Road:

*There are stars In the Southern sky Southward as you go. There is moonlight and moss in the trees. Down the Seven Bridges Road* as you listen to the lyrics you can envision the unspoiled land at the Seven Bridges Road Farm and how rare it is to find a property like this in today's market.
