PROPERTY SUMMARY

Brand new home with one-level living and custom features. Priced at appraised value! Thoughtfully designed you will love the space this 1,754 sq. ft. home offers. The front porch is welcoming and large, perfect for a place to sit and unwind or watch the sun rise. Inside the great room has 12' tall ceilings and is open and airy. The large space can be arranged how you like and provides adequate room for both dining and living. The kitchen truly is the centerpiece of this home with a large island, granite countertops, soft close cabinetry, and all new appliances. The large pantry is located behind a charming barn door and provides additional counter space, storage, and a broom closet. On the north side of the home two guest bedrooms are situated with the full guest bathroom between them. Beautiful tile work is on display in the bath/shower and the large vanity is user friendly. On the south side of the home, you will enjoy the large laundry room/mud room located just off the attached two c
