PROPERTY SUMMARY

Welcome to Serenity Lake Estates. This 5+ acre subdivision located just south of HWY N along HWY T provides a variety of residential lots all of which are ready to build your dream home. Towards the front of the development, a couple lots are being offered around the lake and would be considered "open" lots. As you move east, the lots become more wooded and more private. A brand-new concrete drive provides access throughout. Restrictions and minimal HOA fees are in place. These funds will be used to maintain the road, manage the lake and landscaping, and keep a wonderful walking trail around the lake. This property represents a wonderful location to live in beautiful western St. Charles County and enjoy the Francis Howell School District, all while being only minutes from HWY 70/Wentzville.
