PROPERTY SUMMARY

Chowan County development property on the market! This 120-acre tract boasts great road frontage on Haughton Road in Edenton along with 85 acres of cleared land and 35 acres of timber. There is a timber reservation on the trees, but that is reflected in the price. This area is an up-and-coming community that is begging to grow with homes due to the beautiful water of the Albemarle Sound that accompanies this area! For more information, please give Dustin Wood a call at 252-531-4088. There is a 4-acre section that is being retained by the sellers.
