PROPERTY SUMMARY

Located in Millry, Alabama, this 209 +/- acre property offers numerous opportunities. Established green fields offer great hunting opportunities for various wild game such as deer, turkey, and hogs. The majority of the property is planted in roughly 8-year-old pines, offering potential income in the coming years. The tract has a great internal road system offering great access through the property. A small creek runs through the tract offering a great water source for the wildlife. This area is known for its abundant wildlife. Power and water are present along Jeffery Williams Road. Located only an hour and a half from Mobile, this property is in a great location for day trips or overnight weekend trips.
