PROPERTY SUMMARY

Great hunting tract and long term timber investment in the heart of Wayne County. Honey Camp Branch runs through the property providing great wildlife habitat with the surrounding hardwoods. While there are no current interior roads, the pines are young enough to easily punch them in. Good possibility of a homesite with power located just down the dirt road. Located 10.25 miles south of Jesup, 17.65 miles east of Patterson, and 28.40 miles northwest of Brunswick. The adjoining 202 acre tract is also available for purchase.
