PROPERTY SUMMARY

This 2 bedroom, 2 bath home provides stunning living space all on one level! You will love the open floor plan that features a great room and open kitchen; with beautiful shades of grey and cream running throughout the home. The open kitchen has granite countertops and soft close cabinets. There is a decent pantry/broom closet for storage. Brand new windows allow a large amount of natural light to the living space, and brand new can lights accent the home's features. There is a durable laminate floor running throughout the main living area and the bedrooms have new carpet. Down the hall, you will find the guest bedroom and a full guest bath with a beautifully tiled shower. The master bedroom features a walk-in closet and on-suite bath with a large vanity, mirrors with lights, and another beautifully tiled shower surround. The laundry room is just off the back door with cabinets for storage and close to the forced air furnace and hot water heater. All electrical, plumbing, HVAC, drywall, wi
