PROPERTY SUMMARY

Welcome to Hog Island - a 40 +/- acre sportsman's paradise surrounded by the Little River on three sides and a small creek on one side that may have been part of the river years ago! Hog Island is as secluded and remote as you can imagine and provides exceptional hunting, fishing, camping, and recreational opportunities. Property is located only 5 minutes from Princeton, 20 minutes from Goldsboro, and 45 minutes from Raleigh. The island was timbered ~10 years ago and has naturally regenerated over time. A solid rock base in the river installed for the logging equipment years ago allows you to access the island by ATV/UTV. The property is located a short 5 minute drive from US Hwy 70/future Interstate 42. This property has private, gated access only and showings are by appointment only.
