### PROPERTY SUMMARY

Welcome to Sand Plum Canyon Ranch, a premier 160-acre hunting property in Western Oklahoma's Cross Timbers ecosystem. Known for trophy deer, the ranch has produced multiple bucks over 160". Its varied topography—deep canyons and elevation changes—creates the feel of a much larger tract and excellent game movement. Surrounding planted fields provide consistent food sources, while a spring-fed creek offers vital water. Oak and cedar-lined creek bottoms add prime cover and hunting spots for giant whitetail. Ideal for ATV riding and hiking, the ranch features a trail system with stunning 360-degree views. With county road frontage and electricity nearby, it's ready for your vision. Additional land available.
