### PROPERTY SUMMARY

**Attention investors and or timber companies!** This 180-acre, surveyed family farm has been in the family since 1898. The timber on this property is very mature and has not been touched since 1970. The property is home to many white-tail deer and turkey, along with all your Eastern Kentucky wildlife. With sawmills in close proximity and a gravel road that traverses the property, this is an investment worth considering. *The mineral rights do not convey.*
