PROPERTY SUMMARY

Discover a rare opportunity to own 430+/- acres on Tomahawk Slab Road just 1/2 mile from the Buffalo National River, located near North Maume and Gilbert access points. The property is diverse with pastures, hardwood timber and food plots to enhance the wildlife habitat. Tomahawk Slab Road provides excellent access and there is well developed internal road system with trails even to the hard to reach places. There are several springs and all weather creeks and few ponds to supply water to wildlife. There is electricity to the property in several locations including the camp area. The camp has not been completely finished but there is a kitchen area and bathroom. There is a well on the property to provide water and there is rural water just down the county road. This property offers immediate recreation and conservation areas with long-term potential for development. Its prime location near the Buffalo National River provides easy access to fishing, kayaking, and hiking.
