PROPERTY SUMMARY

Welcome to this stunning home with 4000 sq ft of interior finished space, heated pool, and 1.5 acres. The main floor welcomes you with a large foyer. An eat-in kitchen provides a cozy spot for everyday meals, while the formal dining room sets the scene for dinner parties. The living room flows seamlessly into the family room, creating space for both relaxation and gatherings. The current office could also be a fifth bedroom. On the second floor, you'll find four generously sized bedrooms and three well-appointed bathrooms. The master suite is complete with a modern bathroom designed for comfort. The finished basement features a built-in steel storm shelter for added peace of mind. Step outside to a deck offering a perfect spot for outdoor dining, while the patio area and heated inground pool provide everything you need to enjoy summer days. For additional convenience, the property includes an extra two-car garage and a home backup generator. Call today for your personal tour.
