PROPERTY SUMMARY

Excellent acreage with several nice build sites near North Jackson High School. A perfect opportunity to build your dream home in the country but be minutes from town and schools. Located in Stevenson, Alabama near the Google Data Center, NJHS, and Copper Top restaurant this 4+ acres offers the best of both worlds. The topography is gently rolling and there's a beautiful homesite with a long-range view of the mountains. This tract does not allow for mobile homes otherwise, it is your blank canvas.
