PROPERTY SUMMARY

Looking for good hunting and future timber value? This 140+/- acre tract has both. It is located only two miles from Mantee and 3.3 miles from Woodland in south Chickasaw County, on the Webster County line. Only two miles west of Hwy 15 and 3.5 miles west of the Natchez Trace Parkway, the location means quick access to Houston (12 mi.), Starkville (31 mi.) and Tupelo (40 mi.). Following a timber harvest several years ago, the land has been reforested with vigorously growing loblolly pine (roughly 5 yr.) setting the stage for future income potential. A primary logging road provides north-south access to most of the property. Two Streamside Management Zones and several potential locations for food plots provide exciting hunting and management opportunities. With already abundant deer and turkey sign, this tract is ideal for hunters looking for a property with plenty of room to create your own private retreat and timber investment. Contact us soon to see this "priced right" property.
