PROPERTY SUMMARY

Tucked into the quiet countryside, this beautifully remodeled 5-bedroom, 2-bathroom farmhouse blends rustic charm with modern convenience, offering the self-sufficient lifestyle of your dreams. Set on 20 peaceful acres, this homestead is perfect for chickens, goats, gardens, and wide-open living. Inside, a spacious country kitchen with ample cabinetry and a large island invites family meals made from your own harvest. The open-concept living and dining areas are bright and welcoming, with large windows framing the natural beauty outside. In 2021, a cozy living room and extra bedroom were added, and the pellet stove keeps the main floor warm and toasty. The master suite features a walk-in closet and en-suite bath, and the additional bedrooms are just as inviting. Outdoors, enjoy a garden space, young fruit trees, berries, and multiple outbuildings, including a barn with an office. Modern updates from 2016–2024 mean it's move-in ready. Come start your homestead dream today.
