Don't miss your chance to own one of the final build sites in Stonebrook, Kingfisher's most sought-after residential development. Nestled on half an acre, this spacious lot offers the perfect canvas to bring your dream home to life in a community known for its timeless elegance and tranquil charm. With manicured streets, a serene private lake stocked with bass, crappie, and channel catfish, and a picturesque stone bridge crossing over cascading waterfalls, this neighborhood combines old world charm with modern convenience. All homesites feature access to Kingfisher city water, sewer, and utilities, and construction is limited to approved custom builders, ensuring architectural integrity and long-term value.
