PROPERTY SUMMARY

Explore the possibilities with this 7.7± acre parcel located in the quiet rural community of Lawndale, NC. The property includes a small open field that has been used for hay in the past, with the remainder in natural regrowth after recent timbering. There is an old, dilapidated home and several small sheds on the property, offering a rustic backdrop for your new build or start fresh with the removal of them for a blank canvas. County water is available, making it easier to establish a home or homestead. Located in northern Cleveland County, Lawndale offers a peaceful setting with a small-town feel, yet it's only a short drive to Shelby for shopping, dining, and services. The area is known for its rolling hills, farmland, and close-knit community—perfect for those seeking space and simplicity.

Don't miss out on this wonderful opportunity in Cleveland County.
