PROPERTY SUMMARY

Looking for a beautiful, affordable tract that offers homesite potential, timber and hunting within close proximity to Hattiesburg? This is it!

This tract consists of blacktop road frontage, an access road across gentle topography, varying timber types, and transmission frontage. The mature timber was recently select cut and the 2009 plantation thinned, with multiple landings ready to be converted into homesites or food plots. Subject to survey and county subdivide. Utility easement is provided at the roadway.

It is conveniently a 20-minute drive to Hattiesburg, 9 minutes from New Augusta, and 20 minutes to Desoto National Forest. The tract is also located 2.5 miles from Georgia-Pacific's Leaf River pulp mill.
