PROPERTY SUMMARY

Please consider our 161 Acre OFF GRID Hunting Property off of Moreno Hill Rd 35A west of Fence Lake approx 5 to 6 miles. This property should qualify for an Elk Tag. Some nice Mule deer bucks roam the area as well. This property offers Mature Pinon Trees, lots of Juniper and has a very large grassy meadow. Nice views as well. The property has a huge Metal Barn, approx 80' by 40' with 15' ceilings. Finish building the Barn out and you have a great place to stay. Needs concrete floor. NO HOA!! NO CCR's. Property appears to be fenced. Water Storage Tank with limited well. Property bordered 640 acres of State land in the back. I sold the property across the road and they had really good Elk hunting-see photos. Bring your Toys!! Bring your Horses!! Please call me regarding this property. It's a Gem!! Please consider using ON-X mapping app to find the Properties corners.
