### PROPERTY SUMMARY

This beautifully designed residence offers 4 bedrooms and 4 bathrooms with over 4600 sq feet of living space. Step inside to find formal living and dining rooms along with a large family room that flows seamlessly into the eat-in kitchen, featuring abundant cabinetry and plenty of space for cooking and gathering. An office nook just off the living room includes a ladder accessed loft which is a fun and creative space for children's toys and games. Retreat to the master suite, spacious enough to do "four cartwheels" as the current owner proclaims. The ensuite master bath features a soaking tub, walk-in shower, and his and hers closets. Downstairs, the finished basement is an entertainers dream, currently set up with a pool table, game table, and additional living space perfect for movie nights or watching the big game. The large 2-car garage includes two small bonus rooms, ideal for a small workshop or extra storage. A large patio and decks out back round out this wonderful property.
