Property Summary

Southside Virginia Riverfront Haven. Over 200 acres of endless potential! With over 5000 ft of road frontage on 2 separate state roads. Over 2,300 ft of river frontage on the Banister River. Gorgeous mountain views. 3 creeks run though the property with wide hardwood buffers. The huge oak trees along the creeks are covering the ground with acorns now. Deer, Bear, and turkey sign everywhere! I didn't mean to leave out the bounty of ducks that flew up the river when I was cruising the property. Along with excellent duck hunting. This part of the Banister river is known for its smallmouth bass. There is also a separate 39 acre tract with mature plantation pines across the road for sale as well. Whether you are looking for a place off the grid with every amenity you could ever need or a sportsman paradise. This property checks every box! Priced at a little over $2000 an acre.
