PROPERTY SUMMARY

Southwest Virginia wooded acreage in close proximity to Bristol, Kingsport, and the rest of the Tri-Cities. This +/- 21 acres tract offers recreational opportunities and room to spread out. Plentiful sign of wildlife on the property to include whitetail deer, Turkey, and other small game would lend to the property being a great hunting tract. An old road bed provides access from Indian Creek Ln to higher points of the property. Give our office a call to set up your tour today.
