PROPERTY SUMMARY

This residential property offers 1.336± acres in Harris County, GA, near Pine Mountain, with a large covered front porch.

The porch creates a comfortable place to relax, gather with friends, or enjoy the peaceful country setting. It adds useful outdoor living space while giving the home a welcoming feel. The recently reduced price also makes this property worth another look.

Inside, the spacious living room features a fireplace that serves as a natural gathering point. The kitchen includes an island, pantry, and built-in desk for added function. An eat-in kitchen area provides additional room for meals and offers flex space potential.

The home also includes a separate dining room for more formal meals and gatherings. The oversized primary suite provides plenty of room to create a comfortable personal retreat. Together, the living spaces offer a practical layout
