PROPERTY SUMMARY

Take a look at this 2.31± acre wooded tract in Jefferson County, Alabama, offering an opportunity for buyers looking for a small acreage investment or land to hold for future plans. The property provides a quiet, wooded setting with natural surroundings and potential for a variety of future uses, depending on access, zoning, and applicable county requirements.

The property offers a rural setting while still being within the Jefferson County area. Whether you're looking to add land to your investment portfolio, land-bank for the future, or explore potential development opportunities, this tract is worth taking a closer look at.

Important Access Notice: This property is being sold as-is regarding physical and legal access. The property currently does not have direct road frontage, and access has not been established through the listing. It is the sole responsibility of the buyer to research, verify, and secure any necessary easements or legal access prior to closing.
